Policy

- All decisions made by Trinity Institute (Australia) with regard to student transfer requests will be made in accordance with this policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

1. Transferring from another Registered Provider

- Trinity Institute (Australia) will not knowingly enrol a student wishing to transfer from another Registered Provider's course prior to the overseas student completing six months of his or her principal course, unless one or more of the following conditions apply:
 - the releasing Registered Provider, or the course in which the student is enrolled in, has ceased to be registered on CRICOS;
 - the releasing Registered Provider has had a sanction imposed on its registration by its ESOS agency that prevents the student from continuing his or her principal course at that Registered Provider;
 - the releasing Registered Provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
 - any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

2. Transferring to another Registered Provider

- For Trinity Institute (Australia) students seeking to transfer to another Registered Provider's course of study prior to completing six months of their principal course, the transfer request will be assessed and granted in any of the following circumstances:
 - The student is due to be reported to DESE via PRISMS due to unsatisfactory course progress at the level they are studying, even after engaging with Trinity Institute (Australia)'s intervention strategies to assist the overseas student in accordance with Trinity Institute (Australia)'s Course Progress and Attendance Policy and Procedures, and the student seeks to transfer to a lower level course.
 - There is evidence of compassionate or compelling circumstances.
 - Trinity Institute (Australia) fails to deliver the course as outlined in the Written Agreement.
 - There is evidence that the student's reasonable expectations about their current course are not being met.

SC8-I: Course Transfer Policy and Procedures

- There is evidence that the student was misled by Trinity Institute (Australia) or an education or migration agent regarding Trinity Institute (Australia) or its course and the course is therefore unsuitable to their needs and/or study objectives.
- An appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- A transfer to another course will not be granted where:
 - The transfer may jeopardise the student's progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another Registered Provider during which time the full range of support services will be provided to the student.
 - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
 - There are no legitimate compassionate or compelling circumstances.
- In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another Registered Provider.
- The outcome of the student's application for course transfer will be provided in writing within 10 business days of receipt of application.
- Where a student's application is refused, the reasons for this will be communicated plus the right to access the complaints and appeals process as outlined below.
- There is no cost in releasing students. However, where a student transfers to another Registered Provider, any refund of course fees, where applicable, will be paid in accordance with Trinity Institute (Australia)'s Fees and Refunds Policy and Procedures.

3. Transferring to another course offered by Trinity Institute (Australia)

- Students may transfer to another course offered by Trinity Institute (Australia) in the following circumstances:

 - Or, where the student claims or can provide evidence that his or her reasonable expectations about the current course are not being met.
- A transfer to another course within Trinity Institute (Australia) will not be granted where:
 - The transfer may jeopardise the student's progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student.

- The outcome of the student's application for course transfer will be provided in writing within 10 business days of receipt of application.
- Cost involved in transferring to another course plus any refund of course fees paid for the student's current course will be in accordance with Trinity Institute (Australia)'s Fees and Refunds Policy and Procedure.

4. Visa advice
