### Policy

#### 1. Deferral and suspension of studies

- Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:
  - serious illness or injury, where a medical certificate states that the student was unable to attend classes
  - bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
  - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
  - a traumatic experience that has impacted on the student which could include involvement in, or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports
  - where Trinity Institute (Australia) is unable to offer a pre-requisite unit
  - inability to begin studying on the course commencement date due to delay in receiving a student visa.

The circumstances listed are example of what may be considered compassionate or compelling circumstances and each case will be assessed on its individual merits.

- When determining whether compassionate or compelling circumstances exist, Trinity Institute (Australia) considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
- A retrospective deferment or suspension may be justified if the student was unable to contact Trinity Institute (Australia) because of a circumstance such as being involved in a car accident.
- Where a student-initiated deferral or suspension of enrolment is granted, Trinity Institute (Australia) will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

### 2. Provider initiated suspension or cancellation

- Trinity Institute (Australia) may suspend or cancel a student's enrolment including, but not limited to, on the basis of:
  - misbehaviour
  - plagiarism, collusion and/or cheating
  - failure to pay an amount owing to Trinity Institute (Australia) to undertake or continue the course as stated in their Written Agreement
  - a breach of course progress or attendance requirements by the overseas student, as specified in Trinity Institute (Australia)'s Course Progress and Attendance Policy and Procedures.
- Standards of behaviour required are outlined in the International Student Handbook.
- Where Trinity Institute (Australia) suspends or cancels a student's enrolment, before imposing a suspension or cancellation Trinity Institute (Australia) will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal, as per Trinity Institute (Australia)'s Complaints and Appeals Policy and Procedures, within 20 business days.

### 3. Student initiated cancellation of studies

- Students may initiate cancellation of their studies at any time during their course. This is also known as a 'withdrawal' or to 'withdraw'.
- Students who wish to withdraw within the first 6 months of their course to transfer to another Registered Provider will be processed as per Trinity Institute (Australia)'s Course Transfer Policy and Procedures.

### 4. Visa status

- When there is any deferral, suspension or cancellation action taken, Trinity Institute (Australia) will inform the student of the need to seek advice from DHA on the potential impact on their student visa, as well as the report the change to the overseas student's enrolment to DESE via PRISMS.
- Students are referred to the DHA web site at [www.homeaffairs.gov.au/trav/stud](http://www.homeaffairs.gov.au/trav/stud) or Helpline (131 881) for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.

### 5. Complaints and appeals

- Where a student accesses Trinity Institute (Australia)'s Complaints and Appeals process, Trinity Institute (Australia) will not notify DESE via PRISMS until the internal appeals process is complete, unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Where the student chooses to access an external appeals process, DESE will still be notified via PRISMS.

### 6. Records

- All records relating to deferrals, suspensions and cancellations will be kept on the student's record in Trinity's Student Management System. This will include all decisions made.
- Records will also be made in PRISMS where required by the ESOS Act.
